

Covid 19 Office Policy

Given the severity of Covid 19 we have put several precautions in place within the office.

Symptoms of Covid-19

If anyone becomes unwell with a new continuous cough or a high temperature in the workplace they will be sent home and advised to follow the stay at home guidance. Line managers will maintain regular contact with staff members during this time.

If advised that a member of staff or public has developed Covid-19 and were recently on our premises (**including where a member of staff has visited other work place premises such as domestic premises**), the management team of the workplace will contact the Public Health Authority to discuss the case, identify people who have been in contact with them and will take advice on any actions or precautions that should be taken.
